Statement of Intent

The Governing Body of **Bagthorpe Primary School** will meet their responsibilities under the Health and Safety at Work Act and other health and safety legislation to provide safe and healthy working conditions for employees, and ensure their work does not adversely affect the health and safety of others (including; pupils, visitors, contractors, etc). Details of how this will be achieved are given in this health and safety statement.

The Governing Body will ensure that effective consultation takes place with all employees on health and safety matters and that individuals are consulted before allocating particular health and safety functions to them.

Where necessary the Governing Body will seek specialist advice to determine the risks to health and safety in the school and the precautions required to deal with them.

The Governing Body will provide sufficient information and training in health and safety matters to all employees in respect to the risk of their health and safety.

The Governing Body requires the support of all staff to enable the maintenance of high standards of health and safety in the schools activities.

The school is committed to continually improving its health and safety performance.

This statement includes a description of the organisation of the school and its arrangements for dealing with different areas of risk. Details of how these areas of risk will be addressed are outlined in the arrangements section.

Signed: _____

(Chair of Governors)

Organisational Structure and Responsibilities

Management Structure

The structure chart outlines key roles and responsibilities within the schools health and safety management system.

Responsibilities of the Governing Body

The Governing Body are responsible for:

- Complying with the Nottinghamshire County Council Health & Safety Policy and arrangements.
- Formulating and ratifying the school health and safety statement and health and safety plan.
- School to have access to health and safety competent advice as stated in Regulation 7 of the Management of Health and Safety at Work Regulations.
- The site and premises is maintained in a safe condition and that appropriate funding is allocated to this area from the budget.
- Prioritising action on health and safety matters where resources are required from the school budget. Any hazards which the school is unable to rectify from the school budget must be reported to the Local Authority.
- Regularly reviewing health and safety arrangements (minimum annually) and implementing new arrangements where necessary.
- Promoting high standards and develop a positive culture of health and safety within the school.
- Employees to have necessary competence to conduct their duties in relation to health and safety matters.
- Risk assessments are completed and recorded of all the school's work activities (including those off-site) which could constitute a significant risk to the health and safety of employees and others.
- The statement of intent and other health and safety documentation is drawn to the attention of all employees.
- Conduct active and reactive monitoring of health and safety matters in the school.

Responsibilities of the Head Teacher

The Head Teacher is responsible for:

- The day to day management of health and safety matters in the school in accordance with the health and safety policy and ensuring the health and safety arrangements are carried out in practice.
- Risk assessments are completed and recorded of all the school's work activities (including those off-site) which could constitute a significant risk to the health and safety of employees and others.
- Conduct active and reactive monitoring of health and safety matters in the school and remedial action is taken (where necessary) to reduce risk.
- Information regarding health and safety matters will be communicated to the relevant individuals.
- Identify staff health and safety training requirements and make arrangements for provision.
- Establish and attend the school's health and safety committee (where appropriate).
- Developing and/or reviewing the school annual health and safety action plan.
- Co-operating with and providing necessary facilities for trade union safety representative(s).
- Participating in the Local Authority health and safety auditing arrangements and ensuring audit action plans are implemented.
- Monitoring the purchasing and maintenance of equipment and materials with regards to compliance with current health and safety standards.
- Employ only competent contractors to work on the school site.
- Seek specialist advice on health and safety matters where appropriate.
- Implement formal arrangements for managing emergency situations.
- Compliance with the requirements of the Occupier's Liability Act.

Note: In the absence of the Head Teacher these responsibilities fall to their immediate deputy.

Responsibilities of the Health and Safety Co-ordinator (must be a Senior Member of Staff)

Responsible to the Head Teacher for:

- Attending appropriate health and safety training courses to enable them to discharge their duties effectively.
- Promoting health and safety matters throughout the school and assisting the Head Teacher in the implementation of the health and safety policy and arrangements.
- Maintenance of health and safety documentation and associated records to ensure they remain up to date with current legislation and good practice.
- Implement a health and safety notice board and ensure it is kept up to date.
- The correct accident reporting procedures are followed and where appropriate accidents, incidents and near misses are investigated.
- Conduct routine health and safety inspections and implement a method of internal audit. A system must be in place to monitor and respond to any identified remedial actions.
- Implementing procedures for the authorisation of school visits.
- Participating in health and safety audits arranged by the Local Authority.
- Providing health and safety induction training for all new employees.
- Maintenance of health and safety training records including the provision of refresher training.
- Statutory inspections are completed and records kept.
- Emergency drills and procedures are carried out regularly and monitored for effectiveness.
- Monitoring contractors on site and conduct a formal, documented induction.
- Attend the school's health and safety committee (where appropriate).

Note: In the absence of a designated Health and Safety Co-ordinator the above responsibilities will fall to the Head Teacher.

Responsibilities of all Employees

All employees at the school have responsibility to:

- Take reasonable care for the health and safety of themselves and others when undertaking their work.
- Checking classrooms, work areas and equipment are safe.
- Ensure safe working procedures are followed as outlined within health and safety policy and risk assessments.
- Co-operating with the Local Authority, Governors and Head Teacher on all matters relating to health and safety by complying with the health and safety policy.
- Not intentionally or recklessly interfering or misusing equipment or fittings provided in the interests of safety or welfare.
- Reporting immediately to their Line Manager or Head Teacher any serious or immediate danger.
- Reporting to their Head Teacher any shortcomings in the arrangements for health and safety.
- Only use equipment or machinery which they are competent to use or have been trained to use.
- Participating in health and safety inspections and the health and safety committee (where appropriate).

Arrangements

- First aid arrangements
- Safe use of work equipment
- Good housekeeping, waste disposal and cleaning arrangements
- Hazard reporting and maintenance procedures
- Special hazards and responsibilities associated with their work activity
- Special needs of young employees (eg, work experience placements).

Person responsible for co-ordinating the provision of health and safety training needs of employees in consultation with their line managers:	Head Teacher
Person responsible for compiling and implementing the school's annual health and safety training plan:	Head Teacher
Person responsible for reviewing the effectiveness of health and safety training:	Head Teacher
Employees who feel that they have need to health and safety training of any kind must notify in writing the contact person:	Head Teacher

Premises

Asbestos

Person with overall responsibility for managing asbestos:	Site Manager
The asbestos register is kept at:	In red Health & Safety box in Office Manager's office
Person with responsibility for ensuring the local asbestos management plan is implemented and maintained:	Head Teacher in liaison with Site Manager
The disturbance procedure is displayed in a (staff only) area, at:	Staff room
The condition of asbestos is monitored (periodically, in accordance with register/LAMP) by:	Site Manager
The LAMP is kept in:	Red Health & Safety box in Office Manager's room

Legionella

Person with overall responsibility for managing Legionella:	Site Manager
The Legionella risk assessment is kept at:	Site Manager's locked store
Person with responsibility for ensuring that remedial actions from the risk assessment are followed through:	Site Manager
The water temperatures and other maintenance tasks associated with the water system are taken (monthly) by:	MBD Plumbing (Nottm) Ltd 0115 965 4244
The flushing of little used outlets is carried out (weekly, including school closure periods) by:	Site Manager
The log book is kept in:	Site Manager's store

Fire

Person with overall responsibility for managing fire safety:	Head Teacher in liaison with Site Manager
The fire risk assessment is kept at:	Red Health & Safety File in Office Manager's office
Person with responsibility for ensuring that remedial actions from the risk assessment are followed through:	Site Manager
Person responsible for routine maintenance and servicing of fire safety equipment:	Site Manager
The log book is kept in:	Site Manager's locked store

Security

Premises

Person (and their deputy) responsible for unlocking and locking the building, arming / disarming security alarms, etc	First: Site Manager
	Deputy: Head Teacher /Office Manager

Visitors

On arrival all visitors must report to:	Main Reception Office
Where they will be issued with: • An identification badge • Relevant health and safety information • Sign in on the electronic screen and adhere to the Code of Conduct	

Lone Working

Person responsible for ensuring risk assessments are prepared and implemented for lone working activities:	Head Teacher
--	---------------------

Use of Premises Outside School Hours

Person responsible for co-ordinating lettings of the premises in accordance with the lettings procedure:	Office Manager
--	-----------------------

Control of Contractors

Person responsible for commissioning building work and is aware of their legal duties under the Construction (Design and Management) Regulations: (Note: this may differ dependant on individual requirements of a project)	Head Teacher advised by Site Manager
Person responsible for the completion of the Notification of Building Works form and sending to H&S team in timely manner:	Site Manager
Person responsible for selecting contractors and vetting contractors health and safety, policies, risk assessments, method statements, insurance and past health and safety performance:	Site Manager
Responsibility for liaison and monitoring of contractors:	Site Manager

Work Equipment

Powered Access Equipment, Mobile Access Platforms, Tower Scaffolds

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	N/A
Person(s) authorised and competent to operate and use:	N/A

Ladders

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Site Manager
Person(s) authorised and competent to operate and use:	Site Manager

Stepladders

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Site Manager
Person(s) authorised and competent to operate and use:	Site Manager

Manual Handling Equipment

Person responsible for ensuring that sack barrows, flat-bed trolleys, etc, are maintained in safe condition:	Site Manager
--	---------------------

Equipment Provided for Pupils with Special Educational Needs

Person responsible for ensuring all hoists, used for moving people receive a thorough examination and service every six months by a competent contractor and kept in good working order:	N/A
Person responsible for ensuring that slings are laundered regularly (in accordance with manufacturers instruction) and kept in a hygienic condition:	N/A
Person responsible for ensuring all wheelchairs, standing frames are inspected and serviced annually by a competent person, kept in a hygienic condition and in good working order:	N/A
Person responsible for ensuring that other special needs equipment is kept in good working order and serviced appropriately:	N/A

Lifts

Person responsible for ensuring lifts receive a thorough examination and service every six months:	N/A
--	------------

Pressure Vessels

Person responsible for arranging a written scheme, thorough examination and maintenance of pressure vessels:	Site Manager
--	---------------------

Caretaking and Cleaning Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Site Manager in consultation with Cleaning Supervisor/Manager
Person(s) authorised and competent to operate and use:	Site Manager & cleaners

PE Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Head Teacher in consultation with Site Manager
Person(s) responsible for regular daily visual inspection and in-house routine inspection:	Site Manager
Contractor responsible for annual full inspection and report:	GM Services (Leics) Ltd

Outdoor Play Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Head Teacher in consultation with Site Manager
Person(s) responsible for regular daily visual inspection and in-house routine inspection:	Site Manager
Contractor responsible for annual full inspection and report:	GM Services (Leics) Ltd

Stage Lighting Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Head Teacher in consultation with Site Manager
Person(s) authorised and competent to operate and use:	All staff

Mobile Staging and Seating

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	Head Teacher in consultation with Site Manager
Person(s) authorised and competent to operate and use:	Site Manager

Portable Electrical Appliances and Hard Wiring Circuits

Person responsible for ensuring the hard wiring circuits is periodically inspected (every 5 years):	Head Teacher in consultation Site Manager
Person responsible for ensuring remedial actions are undertaken from the hard wiring circuits inspection and retaining a record of this:	Site Manager
Person responsible for ensuring portable electrical appliance testing is carried out at appropriate intervals and recorded:	Site Manager
Person(s) responsible for carrying out formal visual inspection and testing:	Site Manager
Staff must not bring onto the premises any portable electrical appliances unless authorised and have been portable appliance tested. The person responsible for authorising their use on the premises:	Head Teacher Site Manager
