

Dear Parents and Carers

It hardly seems possible, but we have reached the end of another busy and successful school year. As we say farewell to our Year 6 children and wish them every success in the next stage of their journey, we also take a moment to reflect on all that has been achieved this year.

We hope that all our families enjoy a wonderful summer holiday together – a time to relax, recharge and make special memories. Whether you're heading away or enjoying adventures closer to home, we wish you a happy and restful break, with plenty of opportunities to spend quality time together and enjoy a well-earned rest.

Farewell to our Year 6 Children

We enjoyed a wonderful Leavers' Assembly this morning, taking time to reflect on the many achievements, experiences and happy memories our Year 6 children have made during their time at Bagthorpe. It was also a special opportunity to say goodbye to parents and families, some of whom have been part of the Bagthorpe community for many years and have certainly earned their long-service medals!

As our Year 6 children prepare for the exciting next stage of their journey, we send them and their families our very best wishes for the future. We are incredibly proud of all they have achieved and look forward to hearing about their successes and adventures in the months and years to come.

Farewell to Mrs Tonani & Miss Kerry

We'd like to say 'goodbye' to Mrs Tonani & Miss Kerry. They are moving on to new ventures and, although we will all miss them, we wish them good luck in the next stage of their careers.

Welcome

We would like to welcome Miss White who will be joining the Care Assistant team in September.

Lost Property

We have a substantial amount of lost property so please call into school to claim any 'lost' items before it is recycled during the summer holiday. Can we please remind you to write your child's name in all pieces of uniform (there is usually space on the white labels) so that we can return any lost items to you. Our stock of lost property increases year on year as the majority is unnamed. Thank you.

Holiday Provision

- Our sports providers, Next Level Sports, will be holding a Summer Camp on **Monday, 27th & Tuesday, 28th July** at a cost of £22 per day. There are a limited number of places each day which are allocated on a first-come first-served basis.
- Our wraparound providers, The Lime Trees, are holding holiday academies on multiple sites around Nottinghamshire – please see their website for more details: www.thelimetrees.co.uk
- Further information can be found in the flyers at the back of the Newsletter.

School Uniform

Please can I remind everyone, as we break up, about our school uniform. A number of you have commented that this is not always followed correctly, so we would like to ask that we all pull together on this when we return to school in September. Thanks ☺

You can find our uniform policy [here](#) but as you plan for September, please remember the following main points...

New Menu

Our new menu will begin on Wednesday, 2nd September 2026 – see end of Newsletter.
There will be a slight change to the menu the first week back:

- Wednesday - Naan bread pizza, potato balls and sweetcorn followed by jelly and a biscuit
- Thursday - Fish, chips and peas followed by tutti fruity crumble
- Friday - Hot dog, diced potatoes and peas with swirly muffin.

The jacket potato option will be offered on Wednesday, 2nd & Friday 4th September.
The filled cob option will be offered on Thursday, 3rd September.

Online Gaming and Online Safety

We thought it would be timely just before a school holiday to once again remind parents about the importance of online safety. As you are aware, this is something that we do speak to the children about. We would particularly like to draw your attention to online gaming which is one of the most common ways that children communicate with each other online. They do not always know the true identity of the person with whom they are communicating and there are some important safety issues to consider. Please take the opportunity to talk to your child about their online safety. We hope the following link will be helpful during your conversations: <https://www.internetmatters.org/parental-controls/>
